FEIT is offering a grant of $1,500 to two outgoing exchange students each semester.

We understand that students today face a working environment that assumes global mobility in the labour market. We are committed to encourage and support students who wish to go on an exchange as part of their undergraduate degree in order to gain a greater understanding of the international aspects of modern engineering practice.

FEIT offers a grant of $1,500 each semester to one outgoing engineering exchange student enrolled in either the BE or the BE DipEngPrac and to one outgoing information technology exchange student enrolled in either the BIT or the BScIT.

The successful student must:

- have the highest overall WAM of the outbound students from their discipline;
- submit a statement (maximum 1 page) describing their proposed time overseas and what they hope to achieve;
- speak and present on their return about their experiences overseas.

Students must have fulfilled all the usual requirements:

1. be eligible to apply for the exchange program, be offered a place and have approval from FEIT;
2. have achieved a minimum of 65 (credit) average overall;
3. be enrolled in either the BE or the BE DipEngPrac, or the BIT or BScIT.
FACULTY OF ENGINEERING AND INFORMATION TECHNOLOGY

APPLICATION FORM
FEIT INTERNATIONAL EXCHANGE STUDENT GRANT

Application for the Exchange Grant (one off payment of A$1,500).

Submit this form to Ms Beate Buckenmaier, Manager International and Enterprise Development Office, FEIT, Level 7, Building 2, no later than four weeks after publication of the latest semester results.
