### Notes:

- **Capstone A (48016)**: This subject is required during the final year of study. It is a major subject that integrates the knowledge and skills acquired throughout the course.

- **Eng Pro M/Met (48260)**: Students must complete this subject as it provides essential professional development.

- **EPR2 [C] (48142)**: This subject is mandatory for students pursuing this course as it forms part of the core curriculum.

- **Course Component Key**
  - **Core**: Core Subject
  - **MAJ**: Subject within the major

- **Subject Name**
  - **Credit Points**
  - **Academic Requisites**

- **Availability**
  - If blank, the subject may run in either semester. Check the UTS Timetable.
  - **[C]** denotes an academic co-requisite, where this subject may be taken in the same semester.

- **UTS Timetable remains the definitive source on subject availability.**

- **Your study plan defines course requirements.**

- **For further assistance, contact Student Centre at 1300 275 887.**
